Re: WT Docket No. 07-250
Ex Parte Presentation

Dear Ms. Dortch:

On February 7, 2008, representatives from the Alliance for Telecommunications Industry Solutions (ATIS) Incubator Solutions Program 4 – Hearing Aid Compatibility (AISP.4-HAC) and advocates for consumers with hearing loss met with Wayne Leighton, Acting Special Advisor on Wireless Issues, for Commissioner Deborah Tate. The purpose of the meeting was to reiterate support for AISP-4.HAC's Joint Consensus Plan (JCP), which would modify the FCC's February 2008 hearing aid compatibility requirements. AISP-4.HAC, consistent with its filings in this proceeding, urged the FCC to expeditiously adopt the JCP without modification.

The individuals representing the AISP.4-HAC at this meeting were: Harold Salters, Director, Federal Regulatory Affairs, T-Mobile USA, Inc.; Praveen Goyal, Director, U.S. Government Relations, Research In Motion, Ltd.; Karen McConnell, Cart Reporter, Metro Reporters, Inc.; and Thomas Goode, General Counsel, ATIS. Also participating in the meeting, as a representative of consumers with hearing loss, was Brenda Battat, Associate Executive Director, Hearing Loss Association of America.
