ATIS: More Guidance Coming on WEAs

June 16, 2021

ATIS told the FCC it's developing guidance for wireless emergency alerts, responding to a September letter from then-Chairman Ajit Pai (see [2009100010](#)). "ATIS agrees with the Commission that there is benefit" here, said a [filing](#) posted Tuesday in docket 15-91. "WEA 3.0 Operational Considerations for Commercial Mobile Service Providers" is expected to be ready for balloting in Q3, the group said. The new "document will provide additional information on the purpose of the flexible operational settings," ATIS said.
